BHUTAN KIDNEY FOUNDATION

MONTHLY CONTRIBUTION FORM

Fund Mobilization through Citizen Engagement

Background

With the rate of kidney failure cases alarmingly increasing in Bhutan, the prevalence of Hypertension and Diabetes poses further threat as these two are the leading factor to kidney disease. In the midst of such growing issues, the Bhutan Kidney Foundation (BKF) is established as **Civil Society Organization (CSO)** under the patronage of **Her Majesty The Gyaltsuen Jetsun Pema Wangchuck** to primarily support and improve the health condition of overall kidney failure patients and make services accessible general public through promotion, prevention and curative measures thereby contributing towards Gross National Happiness.

At this time, the Foundation is in need of your support as we carry out various programmes to benefit marginalized kidney patients across the country. We plea interested individuals to kindly fill this form on voluntary basis.

Your contribution will be well acknowledged at the end of every year with the issuance of Money Receipt which is tax exempted vide **RRCO Tax Exempted/DRC- Tax/A&L/Ex/18(A) 2012/2104**.
